Idaho Primary Election on May 20

The State of Idaho will hold its primary election on May 20. If you are an Idaho resident and want to vote in the primary, you must be registered by April 25. If you live outside Idaho and need to register to vote absentee, you can do so using the Federal Post Card Application (FPCA) available at FVAP.gov. If you complete and return this form, you will be registered to vote and will receive an absentee ballot for any elections this year.

If you are already registered in Idaho, you must request your ballot by May 14 if you want to vote in the primary. You can request an absentee ballot using the FPCA available at fvap.gov.

Detailed information is available at the following website: fvap.gov/idaho. If you are registered and have not received your absentee ballot by April 20, use the Federal Write-In Absentee Ballot (FWAB) to vote. The form is also available at fvap.gov/idaho.
